Dear Danielle Paquin,

The Government of Manitoba has repealed *The Consumer Protection Amendment Act (Contracts for Distance Communication Services)*, S.M. 2014, c.28, as part of *The Red Tape Reduction and Government Efficiency Act, 2018*.

The repeal of the unproclaimed legislation will prevent duplicative regulatory environments and reduce red tape for telecommunications and television service providers. While protections for consumers remains a priority, the government is also committed to ensuring that the regulatory burdens on business are reasonable and appropriate.

The Government of Manitoba appreciates the input and feedback it received from stakeholders with regard to this legislation.

Should you have any questions or concerns, please do not hesitate to contact me at 204-945-4259 or via email at beatrice.dyce@gov.mb.ca.

Sincerely,

Beatrice Dyce
Director
