

**For Immediate Release**

**Canadian Security Association (CANASA) announces  
resignation of Executive Director JF Champagne**

**June 25, 2015 (Markham, Ontario)** – The National Board of Directors of the Canadian Security Association (CANASA) announces that JF Champagne, CAE will step down from his role as Executive Director effective August 21, 2015. The National Board and Executive Committee are working with JF to manage his transition effectively, and will be meeting in the coming weeks to make recommendations on appropriate next steps in the replacement process.

Throughout his tenure as Executive Director JF has skillfully led the organization bringing vision, guidance and energy to not only the National Board of Directors, but to the Regional Councils and national office staff. His efforts to serve our membership is second to none, which shows through CANASA's most recent successes in membership resources, Security Canada trade shows, Alarm Technician Course upgrades and government relations initiatives.

JF has accepted a leadership opportunity with a national organization based in Ottawa, Ontario and the CANASA family wish him the very best in his new role.

As always, CANASA is committed to its mission and vision and will continue to remain dedicated to supporting our membership and evolving to meet its needs. We look forward to serving our membership through this transition process and beyond.

Questions and comments may be submitted to CANASA's National President Richard McMullen at [president@canasa.org](mailto:president@canasa.org)

**About CANASA**

Established in 1977, the Canadian Security Association (CANASA) is a national not-for-profit organization dedicated to advancing the security industry. They protect and promote the interests of their members and the safety of all Canadians through education, advocacy, and leadership.

CANASA is a recognized voice of the security industry in Canada and have a growing membership of more than 1,000 member organizations across the country representing all segments of the industry. CANASA supports its members through a comprehensive network

of services, including security education, government relations, marketing, communications, leading industry trade shows and the latest industry information and news. Visit CANASA on the web at [www.canasa.org](http://www.canasa.org)
