

**REQUEST FOR BOND FOR THE RÉGIE DU BÂTIMENT DU QUÉBEC**

**Note: since June 25th, 2008, the Régie du Bâtiment du Québec requires a license bond which covers amounts paid out by the customer, bad workmanship and latent defects discovered in the year following building completion. This new bond replaces that for fraud, embezzlement and defalcation.**

**Considering the high level of risk constituted by the issue of this new bond, insurance companies demand more from associations that provide collective bonds, but also from contractors who buy deal directly with them. For a specialized contractor, the bond can cost up to \$350 and for a general contractor, \$550. CANASA proudly offers you license bonding at only \$130 for specialized contractors and \$260 for general contractors.**

**Another advantage of being a CANASA member.**

**For the renewal of your license:**

- **Between June 25th, 2008 and September 25th, 2008, you can obtain the license bond and forward it to the Régie du Bâtiment, no later than September 25<sup>th</sup>, 2008**
- **As of September 26th, 2008, the license bond will be due at the same time as you renew your license.**

**To obtain the CANASA license bond**

- **Fill out the present form and send in the original with your payment**
- **For a general contractor (\$20 000 bond): \$260**
- **For a specialized contractor (\$10 000 bond): \$130**

**IMPORTANT : In order to receive your bond within the period required by the Régie, please allow two ( 2 ) weeks before receiving your bond from CANASA.**
